

# Danish Collection of the History of Pharmacy

Pharmakon • Milnersvej 42 • 3400 Hillerød • Tel 4820 6000 • [www.dfhf.dk](http://www.dfhf.dk)

## **The Collection**

The Danish Collection of the History of Pharmacy is housed in the basement of Pharmakon. Here you can get an insight into the fascinating history of pharmacy. The collection illustrates the operation of pharmacies and of the pharmaceutical industry as well as the history of medicines over the past hundred years.

The exhibition displays beautiful apothecary jars, restored copper appliances and other utensils from a chemist's old craft. The manufacture of medicines is demonstrated on the still functioning apparatus and tablet machines.

## **Opening hours**

The Collection is open on Tuesdays 13-16  
(closed in July and during the Christmas holidays)

## **Ticket price**

30 kr. per person  
(children and youngsters under 18: free of charge)

## **Guided tours**

An interesting guided tour of the Collection can be arranged.
